

Authorities

@ AVAAL

Avaal provides logistics companies with all the permits and authorities needed to transport goods from coast to coast. Expert staff ensures a stress-free experience as you embark on a new business venture. Avaal can also help existing carriers with maintaining and renewing their current permits or building a corporate identity. Services include website and logo design and marketing materials.

Authorities and Permits

Our full package includes:

- CVOR Number
- IFTA Decals
- IRP Plates
- Canadian Carrier Code
- SCAC Code
- DOT Number
- MC Number
- BOC-3 Process Agent filing
- NY HUT Registration
- KYU Number
- NM WDT Registration
- Unified Carrier Registration
- PAPS & PARS Labels

Corporation Registration and Profile Building

Register your new trucking business as a provincial or federal corporation to minimize risk to your personal finances. Improve your market visibility with a professionally designed website, eye-catching logo, and promotional materials including brochures and business cards.

IRP Renewal & Vehicle Registration

- Plate renewal
- Trip Permit
- Replace sticker
- Original registration
- Transfer of a used vehicle
- Plate attachment/replacement/termination
- Data changes (e.g. address, make, model)
- Vehicle status changes

IFTA, New York, New Mexico, Kentucky Tax Filing

The International Fuel Tax Agreement requires quarterly tax return filings for all carriers. The above U.S. states collect Highway Use Taxes and also require quarterly filings. Let Avaal take care of the tedious number crunching.
