What is C-TPAT?...

The Customs-Trade Partnership Against Terrorism (C-TPAT) is a voluntary partnership between Customs and Border Protection (CBP) and the trade to secure the international supply chain.

In return for partners securing their supply chains, CBP offers C-TPAT shipments expedited processing, and provides C-TPAT participants with other benefits.

Benefits of Certification?...

- Automatic Access to the Free and Secure Trade (FAST) program.
- Reduced Automated Targeting System (ATS) scoring, for less frequent inspections.
- Shipments for inspection directed to the front of the line during random inspection or other agency requirements.
- C-TPAT "Best Practices" members will rarely face random inspections.
- Expedited Clearance Times
- Significantly reduced enforcement and compliance inspections
- Access to CBP Training seminars open only to certified members
